“TIME MANAGEMENT AND PUBLIC SPEAKING SKILLS”

with the co-operation of our Chairman B. Amaranath Reddy Garu, In Mahathi College Of Pharmacy conducted a Skill development program on **“TIME MANAGEMENT AND PUBLIC SPEAKING SKILLS”** on 12.08.2021 at 10 Am in Seminar hall. In this occasion students and teaching staff actively participated in this program.

In this our principal Dr Lakshmi Narasimhaiah Garu delivered a few words regarding the importance of Time Management and Public Speaking Skills “Practicing good time management is one the most important soft skills that you can have in the workplace. It **ensures increased productivity, high-quality work, improved confidence in one's ability to do the job efficiently, and on-time delivery of time-sensitive assignments**”.

And also added **“To develop an understanding that communication is a two-way process in which the listener evaluates the effectiveness of the speaker.** To improve skills in listening, organizing, adapting to audiences, and orally presenting messages. There are three general purposes that all speeches fall into: **to inform, to persuade, and to entertain.** Depending on what your ultimate goal is, you will start by picking one of these general purposes and then selecting an appropriate speech pattern that goes along with that general purpose” on Public Speaking Skills. In this programme nearly 80 students and teaching staff participated and made the program success.

In this our principal Dr Lakshmi Narasimhaiah Garu delivered a few words regarding the importance of Resume Writing Skills. “A resume objective is a short introduction of you and your career goals. To write a resume objective, **mention the job title you want, add 2–3 key skills, and explain what you want to achieve in this job.** Write 2–3 sentences. Resume objectives are best for candidates with little work experience. A resume objective is **an eye-catching statement of your career intent that's placed on top of your resume.** The resume objective provides a 2-3 sentence snapshot of your professional experience, skills, and achievements, and explains why they make you the right candidate for the job”.

In this programme nearly 67 students and teaching staff participated and made the program success.
