4.4.2-There are established systems and procedures for maintaining and utilizing physical, academic and support facilities-Laboratory, library, sports complex, computers, classrooms etc.

MAHATHI COLLEGE
for Innovation Learning

The Institute continuously strives to meet the growing needs of the twenty first century academic worldmaking available adequate physical infrastructure and constantly upgrading facilities in order to provide agood teaching learning environment. In order to ensure maintenance and optimum utilization, varioussystem and procedures are established so as to benefit all the stakeholders. The institute is a much soughtafter venue for conducting various public examinations due to its infrastructural facilities.The College has well established procedure of maintaining and utilizing academic and support facilities.

Physical Facilities:

Classrooms, Tutorial rooms and Seminar halls:

Before commencement of each semester, Principal inspect the class rooms and tutorial roomsto check out the adequacy of furniture, working of projectors, tube lights, fans, etc. and make sure all thefacilities are available in good condition for the students. The college is having in-house Maintenance teamand Annual Maintenance Contract with agencies to carry out repairs and maintenance work. Separate classrooms, tutorial rooms and seminar halls are allotted exclusively as per the requirements. Central RoutineCoordinator along with deputed coordinator of the divisions prepares time-tables in consultation with eachother and displays them on the notice board. All classrooms are provided with LCD projectors and studentsand faculty members can utilize them for their presentations.

Laboratory Facilities:

Adequate laboratory facilities exist for carrying out all the experiments as per curriculum. Any equipmentfor R & D work is also procured as and when required. Each Laboratory is managed and maintained by aFaculty in-charge and Technical/ Laboratory Assistant. Annual proposals for purchase of new equipments,repair and maintenance of available equipments are prepared by the concerned lab in charges andsubmitted to DIC of the Department. The Head of the institution after receiving the proposals from all theDIC of the Departments calls the Purchase Order Committee meeting for their approval and purchases /repairs and maintenance. After purchase and installation, the details of new purchases are recorded in thestock registers of respective

Labs. Testing & calibration of equipment and devices are also performed on regular basis to ensure the working and accuracy of available equipments in the laboratories. Central Routine Committee conducts meetings for finalization of Class Schedule of the all departments before the commencement of each semester so as to finalize the schedule of courses for both theory and labs and the Time Tables of each department are prepared accordingly for best utilization of resources.

Computers:

Mahathi college of pharmacy, Madanapalle has its own computing laboratories fully equipped with latest computer systems, printers, relevant license soft wares and internet connectivity for the benefit of the students. All the faculty members are provided internet connectivity. Computing, Wi-Fi and Internet facilities are checked routinely by the office of the system administration and any repairs and maintenance will be carried out as and when required through AMC service provider. Upgradation of hardware and software is done periodically. Most of the labs are utilized exclusively by the students of the department for their lab activities and project works. Whole campus is Wi-Fi enabled and staff members and students use the facility for accessing the internet.

Academic Facilities:

Library:

The library assumes a critical part in bestowing education; it is the asset centre point for knowledge. It is the resource hub for knowledge and has a vast collection of books, journals, magazines, periodicals. Library has facilities such as Integrated Library Management System software which facilitates the students and other users to have a glance at the number of books available, number of issued books, new books added to the list. Each book has barcode and issue return is done through scanner. Library has totally 4203 book volumes with wide range of 1300+ titles. The library has 20 Printed Journals (Subscribed) and 389 e-journals (through DELNET). A computer workstation is available to faculty, research scholars and students to provide online and Internet services. The Committee recommends the purchase of new editions, number of volumes

based on strength of students. In the annual meeting of the Library Committee, Librarian presents these recommendations and finalizes the purchases. Printed journals and magazines are kept in the reference section where the students can read and take photocopies. Computer and internet facility is also available in the library which is utilized by the students and staff for browsing e-journals and online databases.

Support Facilities:

Sports Complex:

Sports Facility for in-door and out-door games is available in the campus for students of the college. The campus is having In-door game facilities for Carroms, Chess, Gym equipment, etc. and Playgrounds for out-door games Like - Cricket, Tennis, Volleyball, etc. In charge of Games & Sports is responsible for purchase and maintenance of sports equipment's, and organizing Inter and Intra college events annually. Student and staff members of the college utilizes this facility to participate in the inter college games and sport events held annually and also to represent the college in inter-college sports competition.

Institution provides various other services / facilities for the students and staff members which are as follows:

Reverse Osmosis Water Treatment Plant and water coolers for clean and portable drinking water.

Firefighting and Fire Alarm System for fire safety.
