7.1.5 Green campus initiatives include:

1. Restricted entry of automobiles
2. Use of Bicycles
3. Pedestrian Friendly pathways
4. Ban on use of Plastic
5. Landscaping with trees and plants

Mahathi College of Pharmacy shows remarkable awareness in maintaining eco- friendly campus. On visiting, one can experience aesthetic and elegant buildings, splendid lawns and lush green environment conducive for teaching-learning process.

1. Restricted entry of automobiles

The institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and reduce environmental pollution. To reduce pollution and disturbance, the parking area for two wheeler and four wheeler is at the entrance of the institute.

2. Use of Bicycles

The institute also encourages the staff and students to opt for practicing bicycle as much as possible.

3. Pedestrian Friendly Pathways

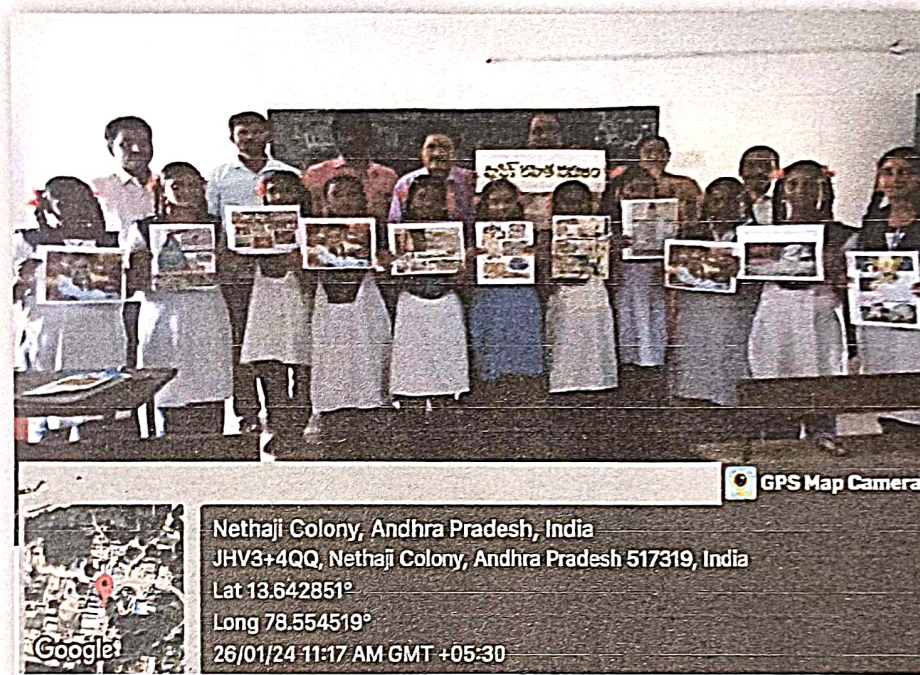

As the campus is vehicle free with some exceptions, the internal roads are used by the pedestrians. As the internal roads are well lined with trees, maintained neatly, the students and staff experience comfort walking.

4. Ban on Use of Plastic

To restrict the use of plastic, measures have been taken to replace plastic cups and bowls with paper cups. The staff and students are informed to use steel and copper water bottles instead of plastic bottles. Awareness is created among students and staff through orientation and display boards in the premises.

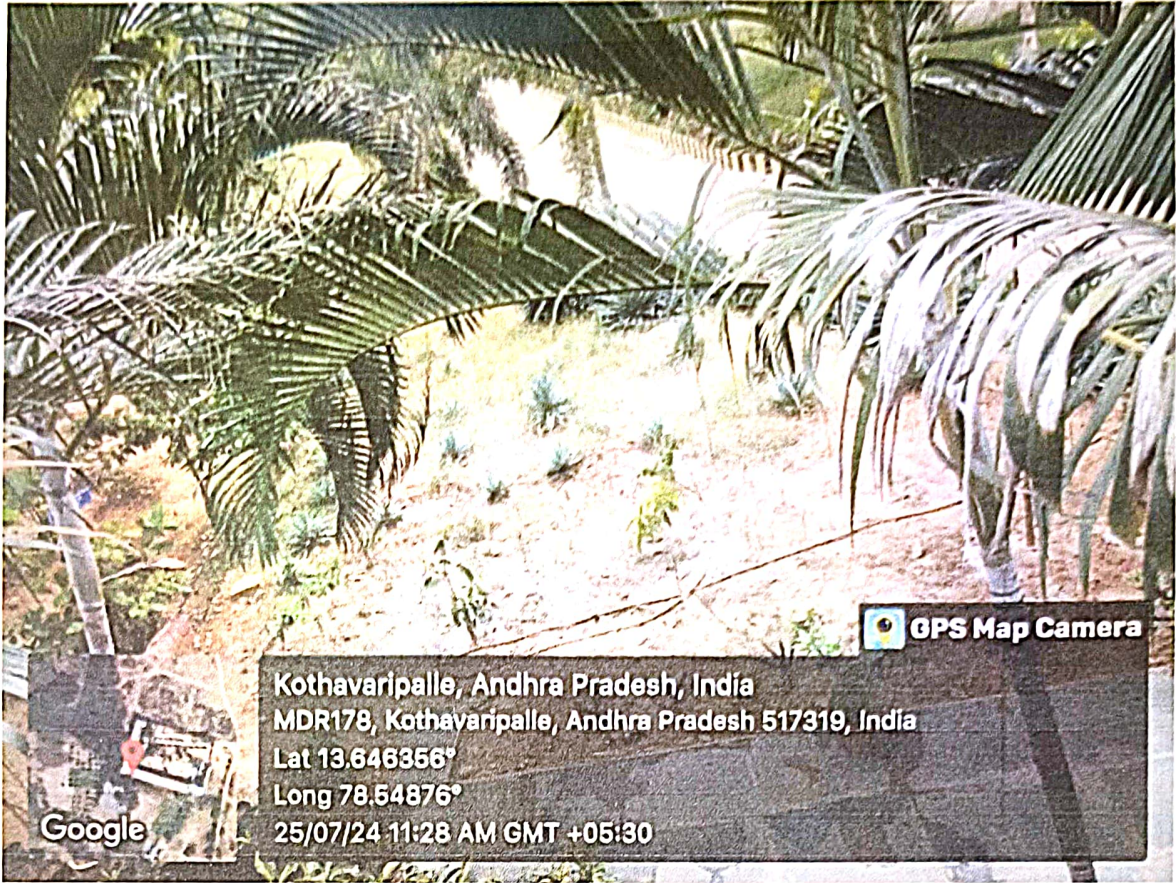

5. Land scape with Trees and Plants

The institution strongly believes that greenery creates more positivity and peaceful environment for good teaching and learning. Also students psychological health might benefit by the environment that contains greenery.

As the institution is imparting pharmacy education, it is richly supported with medicinal gardens around the campus which possess great therapeutic values.
